3rd Edition of BW Healthcare World 40Under40 Awards and inaugural edition of BW Pharma World Person of the Year 2024 held at New Delhi on 31st Aug at The Imperial Hotel.

Over the past few decades, India has made remarkable progress in healthcare delivery and management, establishing the sector as one of the most crucial in the post-pandemic world. As the healthcare ecosystem continues to innovate, integrating cutting-edge technology has become essential to keeping pace with the demands of the times. Amidst global public health challenges, healthcare professionals—including doctors, pharmacists, healthcare entrepreneurs, and scientists—played an important role in mitigating risks and enhancing healthcare access for the masses.

BW Healthcare World organised the 3rd edition of the prestigious 40 Under 40 awards, honoring outstanding healthcare professionals under 40 who have demonstrated remarkable expertise, empathy, innovation, and foresight in their fields, making significant contributions to society. The winner list highlights individuals with unique business ideas who are driving change, and each one is

dedicated to serving the nation by striving to provide the gift of good health to its citizens.

Success in the BW Healthcare World 40 Under 40 is measured not just by financial metrics such as revenue, valuations, and profits, but by the innovation and impact of ideas. With India poised to be the world's youngest nation, the 40 Under 40 list celebrates the young innovators, disruptors, founders, and CEOs shaping the future of healthcare.

The 3rd edition of the BW Healthcare World 40 under 40 business of Healthcare Summit and awards, a convergence of visionary leaders, professionals, and policymakers, was held on August 31 at The Imperial, New Delhi. After receiving numerous nominations and undergoing a rigorous yet transparent shortlisting process, the top 38 young achievers were selected by a discerning jury, recognising their outstanding contributions to healthcare and pharma industry.

To celebrate those who have made significant contributions to India's pharmaceutical industry—leading the way with innovation and a commitment to improving the well-being of millions— BW Pharma World in association with BW Healthcare World organised Pharma Person of the Year 2024 on the same day. Krishna Prasad Chigurupati, Managing director of Granules India received the Pharma Person of the Year 2024 award.

During the summit, (Hony) Brig Dr Arvind Lal, Padma Shri Executive Chairman Dr Lal PathLabs shared his journey and insights on the present and future of diagnostics in India.

“Equitable access to high-quality diagnostics must be our guiding principle. We must continue to invest in education, training, and infrastructure to reach and serve the underserved” , Dr Lal said.
